Dear Sir

**A MILLION THANKS FOR YOUR GENEROUS SUPPORT FOR THE
SUPPORT POLICE IN FIGHT AGAINST CRIME CAMPAIGN**

Your organization responded so remarkably to our call and plea for support for our Support Police against Crime Campaign, notwithstanding the fact that the request was on very short notice. This is indeed a hallmark of great organizations and great people!

The campaign was a huge success, as you might have witnessed and went a long way in sending the message in the community of Soweto.

Our intention is to make such an initiative an annual event and aim for even greater participation and involvement by the general community.

It felt real good to be able to depend on your organization, SASSETA and we want you to know that we greatly appreciate and value your support with the campaign.

Once again, a million thanks!
